Grade- D*D*D*

During my college years, I honed my IT skills in areas such as computer networks and digital graphics. At the time, I was learning about various sorts of software that I would need to use for my college work to finish my assignments.

SKILLS:

- Communication
- Problem solving
- Time management
- Creativity
- Teamwork
- Leadership

ACTIVITIES

During my early adolescence, I volunteered at St. John Ambulance, where I learned how to provide first aid to individuals and visited large events such as football games as well as Hull Fair, where I used my abilities to assist those who were hurt or in distress. For my efforts, I was named unit cadet of the year in 2017.

In addition, I performed National Citizen Service, which assisted me in developing qualities like teamwork and confidence. I participated in activities such as rock climbing, abseiling, and raft construction, as well as fundraising for the charity "Life for a Kid," where we raised over £500 in one week for the Centre's sensory rooms.
